NEW FACTORS IN THE FIGHT FOR THE GOVERNORSHIP.

Harmon to Stick Largely to State Issues. but the Tartif Is Apt to Be a Factor State.

COLUMBUS, Ohio, June 25 .- There is York. In the coming election in the President's State there is a feeling of pride in his Administration at Washington, while the Democrats are to put their best foot forward to reelect Govtheir best foot forward for call best foot forward to reelect Govtheir best foot forward for best foot forward for call best forward for call best forward for the foot forward for call best forward for call best forward forward for call best forward for call best forward forward for call best forward forward

nated at Dayton on Wednesday.

The Democratic party in the State

For instance 37 of the 88 counties voted the candidate for United States Senator. It is true that the Bryan men in that vote is looked upon as a very respectable

Governor Harmon's campaign for re-State issues, economical government and a reform in the methods of taxation. Still the platform of the convention atcriticises the national Administration at Washington for extravagance in public expenditures. There are Democrats in should be conducted entirely on State lines, and they say this while calling to lines lines, and they say this while calling to lines lines

One of the famous sayings of the late at artiff issue. In 1892 Cleveland in the general sweep got one electoral vote, but that were a surprise even to the Democratio party of the State, but that were a surprise even to the Democratio party of the State, but that were a surprise even to the Democratio party of the State, but that were a surprise even to the Democratio party of the State of the Democratio party of the State, was that "No Democrati in the State of Ohio is allowed to grow more than four the Michiney and Dingley tariff laws, and it is remembered that at the recent primaries for the renomination of Republican Congressmen save one were renominated. The liquor issue to all intents and purposes has been practically eliminated and yet in the cities of Zaneeville and Newark there is severe criticism of the Rose county be unit. In the cases of these two cities which believed in liberal rum the rural discharacters, but he doesn't botter with believed in liberal rum the rural discharacters, but he doesn't botter with believed them no own relicion them to be dry. The high cost of living will cut some figure in the came alter without doubt. living will cut some figure in the campaign without doubt.

will be. Has Bryan's influence in the State dwindled or is it still an important factor?

All Democrats who have worked for Gov. Harmon's renomination and who in the coming election there is to be in the state of Ohio.

has been eliminated. He has had two or three fads which he hurled to the front in 1900 and 1908, and since then he has taken up prohibition. It is a noteworthy fact that Bryan, contrary to his more conservative advisers, has for fourteen years practically ignored the tariff issue, the taken Garber's suggestions, saying "I am responsible for the appointments I make and the people are to hold me responsible, and I must be left free to judge servants when the servants heard of this they immediately formed a plot against the crows. So one morning as the servants were attending upon the crows they overpowered them and plucked all of their red feathers from their heads and rolled them in a heap of charcoal, thus color-taken Garber's suggestions, saying "I am responsible for the appointments I make and the people are to hold me responsible, and I must be left free to judge servants. For they still possesse the red beads that the crows once had. on all other places narmon has not gractically ignored the tariff issue, saying stream of the place of the front. It is a most left free to indeed Gov. It is an only in the state senatorship upon this State for the purpose of the fitness of men." Indeed Gov. Harmon in a hole." The tites declare this to be true and they to that Gov, Harmon will pay the tites declare this to be true and they to the stands a good chance of the stands a good chance o Penalty for ignoring Bryan in this matter.

Gov Harmon's friends, however, be-

endanger the Democratic party. Gov. Harmon within the last two years has BROOKLYN ADVERTISEMENTS. harmon within the last with young carpets Democrats The Dayton convention in many respects was made up of enthusiastic young Democrate who believe that is ignored, unfortunately for sue, but who have themselves taken it very much to heart. The delegates to the Dayton convention were elected by direct primaries. There

Defiance of Two American Cirio to 2,000

"I see they're talking again about raising the Maine," said a woman who has travelled pretty industriously for a good many years. "It makes me think

I over did. "Half a dozen of us were in Spain inlet me see—the summer of 1900, when our tussle with that country was still a burning issue over there. We had a courier who discreetly refrained from translat-

ing when we were called 'Yankee pigs.' We spent a good deal of money, and that was so welcome that we were treated very well at most places. We tried to be nice too, and I think we succeeded, all right, for the Spaniards thawed perceptibly and often actually tried to outde as in courtesy. Then we simply laid ourselves out to show them what a really

lovely animal a 'Yankee pig' could be. "Everything went well until one day when we had been visiting the tobacco ployed. We had left the place just before the noon hour and one of our carriages

"Not all of us had cared to visit the factory, so there were only Molly and I in the second vehicle. Our driver was slow in getting started and the first street and turned a corner before he had persuaded his horse, which was inclined to be even more dilatory than he was, to

"Just then the stream of girls began coming out of the factory and we were almost immediately in the midst of the gay colored human current. They were gay in spirit apparently as well as in lor until they saw us.

"Then their dark, piquant faces grew considerably more dark and considerably less piquant. Many of them had seen us in the factory and the fact of our being Americans was soon common knowledge.
They gathered around our carriage,
making sneering remarks. We did not
understand the words, but there was no
mistaking the looks which went with

them.

"The horse was only too willing to be dissuaded from continuing his feeble trot. He subsided into a walk. The girls closed in more compactly. He stopped

came their remarks.

"Finally one of those at a little distant from the carriage stroped, picked a handful of gravel from the roadway and threw it at us. Immediately a dozen

dent has been unfairly treated by Republicans of Ohio. These comments come out when discussion is heard over the possible nomination of Mr. Garfield for Governor, and then the additional statement is made that the nomination of Mr. Garfield for Garfield would be little short of a personal affront to a Republican President coming from the State of Ohio.

Indian Legend About Crows.

From the Red Man.

The crows were once beautiful birds, loved and admired by all the fowls of the air. The crows of that itme dressed in the most gorgeous colors and their heads were decorated with red feathers that "Remember the Maine"

The as too much even for our driver, who stood up and lashed his horse into a gallop as mad as my heart's. The crowd gave way. It had to. Lurching and plunging we fied down the street followed by a shower of dirt and stones.

All of a sudden my terror vanished. I saw red. I was furious, enraged, mad to retailate. I don't know why in the world I didn't shake my fist or throw something, anything, at the crowd.

"What we did do was so foolish, so stupid somehow. And yet it came absolutely spontaneously from us both. We had little American flags in our pocket-books. Feverishly extracting them we rose in our places, waved them wildly in the air and screeched:

"Remember the Maine!"

Make Their Gwn Scientific Apparatus Over on Staten Island.

The children of Public School 19 over in Richmond are of the sort not to be easily defeated. They long ago discovered that the apparatus at their disposal was entirely inadequate, says School, so they induced Principal Charles F. Simons to
